

INTEOS® - Fibula Plate 3.0 & 3.5

innovative polyaxial distal Fibula Plating System

Advantages of the INTEOS® Fibula Plating System

The INTEOS® Fibula plate design showcases the latest insights into repositioning and stabilization of fractured fibulae, based on the **tried-and-tested fixed angle and polyaxial plate-screw-connection** by Hofer Medical Solutions.

Product features

- the plate design is based on over 100 precisely measured fibula bones
- precise anatomical plate prototype for best results
- multiple distal fixed-angle and polyaxial holes for optimized screw placement
- optional non-fixed-angle syndesmosis screw can be positioned in every hole on the plate
- minimized protrusion of screw head in order to avoid irritation and discomfort

Screw features

- compatible INTEOS® 3.0 & 3.5 mm locking screw
- Multi-directional, rounded screw head with locking function (fixed-angle & polyaxial)
- non-invasive screw tip
- „stick fit“ - the stable INTEOS® connection between screw and screwdriver blade
- ForceDrive No 8 & 10 - screwdriver technology

INTEOS® - the multidirectional fixed-angle screw system standard for small fragment screws

Stable anatomic design for safe preservation of repositioning

Accurate contour shape of the plate, based on over 100 measured fibulae

Innovative pre-bending technology of the plate in order to achieve best possible plate - bone alignment

creating partnership

For us, a partnership is the result of a long and happy relationship in all areas of our work . Reliable bone healing for patients, optimal handling of the systems for surgeons and surgical personnel, as well as the simple preparation of the instruments, constantly strengthen this partnership.

For us, "creating" means more than just finding solutions in the form of innovative products.

It is the result of high standards, constant development, innovative products and excellent service for patients, surgeons and surgical personnel around the clock.

Please do not hesitate to contact us if you have questions about our company, our employees or our production methods.
